Kahn Mechanical Contractors
2787 Irving Blvd.
Dallas, TX 75207

Gentlemen:

Upon becoming Retail Facilities Manager for GameStop 4 years ago, I placed the HVAC service with one company for all of our stores throughout the United States. Kahn Mechanical was one of several independent contractors that I considered qualified and trustworthy enough to retain to service our HVAC equipment in their area.

Since GameStop became your client, we have grown to over 1,700 locations and you have grown with us—from servicing six North Texas stores in 1993, to 53 stores today. We consider you to be an essential partner in the successful and efficient operation of our business. We know we can count on you to respond to our needs in a timely, cost effective, and professional manner.

We appreciate Kahn Mechanical's excellent service. Thank you.

Sincerely,

GAMESTOP
